PROFILE

Computer Science student at Helwan University with a strong foundation in **Object-Oriented Programming (Java)** and software development fundamentals. Experienced in building responsive web applications through intensive training programs. Highly motivated to transition into enterprise-level development and DevOps, with a proven ability to learn new frameworks and collaborate effectively in team environments.

EDUCATION

Helwan University – Faculty of Computer Science | 09/2024 – 06/2028 (Expected)

- **2nd Year Student | GPA: 3.33**

TECHNICAL SKILLS

- **Programming Languages:** Java (Strong), C, C++.
- **Software Concepts:** Object-Oriented Programming (OOP), Data Structures, Design Patterns Fundamentals.
- **Frontend Development:** HTML5, CSS3, JavaScript (ES6+), ReactJS.
- **Backend & Database:** SQL, Basic Django, Database Design.
- **Tools:** Git, GitHub, VS Code, IntelliJ IDEA.

PROJECTS

Bug Tracking System | Java

- Developed a desktop/backend application to manage software defects and development lifecycles.
- Implemented **Object-Oriented Programming (OOP)** principles to handle different user roles (Admin, Developer, Tester).
- Designed the core logic for ticket assignment, status tracking, and reporting.

Full Stack Web Application | ITI Summer Training (Django)

- Built a functional web application featuring user authentication and secure login systems.

Responsive Frontend Application | ITI Summer Training (ReactJS)

- Created a modern web interface using **ReactJS** and component-based architecture.
- Implemented client-side routing using React Router for a seamless user experience.
- Focused on responsive design to ensure compatibility across various screen sizes and devices.

TECHNICAL TRAINING

Frontend Development (ReactJS) | Digital Egypt Pioneers Initiative | 11/2025 – 07/2026 (Expected)

- **Enrolled in a 6-month intensive scholarship focused on advanced ReactJS development and modern frontend workflows.**
- **Mastering component-based architecture, state management, and building scalable user interfaces.**
- **Full Stack Development Track (Django) | ITI (Summer 2025)**
- **Frontend Development Track (ReactJS) | ITI (Summer 2025)**
- *Intensive training focused on building real-world web applications and understanding the software development lifecycle.*

SOFT SKILLS

- Problem Solving & Analytical Thinking.
- Effective Team Collaboration and Leadership.
- Fast Learner with a commitment to continuous technical growth.
- Time Management and Adaptability.

LANGUAGES

- **Arabic:** Native.
- **English:** Very Good (Technical Proficiency).
